1 A. The Commandant.

2 Q. And, sir, do you know what the chemicals are
3 of concern that have been identified as being in the
4 water?

5 A. No.

6 Q. Okay. And what are the illnesses or
7 conditions that you have suffered as a result of
8 being exposed to the water at Camp Lejeune?

9 A. Burkitt's syndrome lymphoma and prostate
10 cancer.

11 Q. And, sir, what is the basis for your belief
12 that your diagnosis of -- and I'm -- can I just
13 refer to NHL, non-Hodgkin's lymphoma, is that okay?

14 A. Yes.

15 Q. That it's related to your exposure to the
16 contaminated water?

17 A. Due to the fact I drank a lot of
18 contaminated water while stationed at Camp Lejeune.

19 Q. And what about for the prostate cancer?

20 A. Same.

21 Q. Same. So it's just that you drank a lot of
22 water at the base --

23 A. Uh-huh.

24 Q. -- when you were stationed there?

25 A. Yes.
